

**MESSAGE FROM THE VICE PRESIDENT**

Greetings from your Vice President! First of all, thanks to all our many Volunteers at our Lodge Bazaar! There were a few challenges during the weekend which were overcome but it was more than a little stressful getting it all accomplished. Many thanks to the Chairperson of each area who took charge and made things happen. The preparation work beforehand also paid off. Due to unforeseen circumstances I was not able to be at the Bazaar. Christine Anderson was the only Co-Chairperson of the Bazaar who could be there. Thank you Christine. I really appreciate everyone working together to make things happen. It just goes to show how necessary and important team work is!

Lodge elections were held in November. Thank you to all our Board members who have served in 2023 and many years before that. Unfortunately we are still in dire need of a President and Vice President, not to mention a Secretary and Foundation Director. Seth Maristuen had taken on a third year as President and I have been Vice President for this past year, having served two years as President. So, essentially we have been looking for a President for two years to take over the helm. In order for our lodge to exist, we need a President, Vice President, Secretary and Treasurer. We have not had a Secretary for the past three Presidents, forcing the President to take their own minutes. Thanks to Theresa Nilsen for doing double duty as the Treasurer for both LEL and LEBA. Ideally we should have two Treasurers but, nevertheless, Theresa is taking on both organizations. Tusen takk!

I am happy to report that we have a new Cultural Director, Kathy Buholm, who is looking forward to the year ahead at the Lodge! Thank you Kathy for stepping up! And also many thanks to JoAnne Rudo for being our Cultural Director for the past six years, and the many interesting and fun programs and events she created. Tusen takk! JoAnne's last hurra is Chairing Julebord on December 9th. We hope many of you will come enjoy the festivities.

The holiday season is soon upon us. Please think of others in need at this time who may need a helping hand or simply a kind word. It doesn't cost anything to show kindness.

I wish you all a God Jul!  
**Gail A. Engler**  
 Vice President

**NO SECOND SATURDAY HAPPY HOUR AT THE LODGE**

We have had fun for the fall versions of the the Lodge Happy Hour. There was food, conversation, raffles and it all happened because of the volunteers who put it on.

Because the Lodge Christmas Party is scheduled for Dec. 9th, there is no December Happy Hour. Come join in to the Dec. 9th Julefest.

The next Happy Hour will be second Saturday of January which is the 13<sup>th</sup> with more of the same we have come to enjoy. Join in and bring a snack or two for the buffet and \$5 for food and two drinks. The time is set from 5:00 PM to 8:00 PM.

No reservations needed; just show up and help the mood get Happy. Meet your fellow Lodge members and the friends they invite to see our beautiful Lodge.

## LIBRARY NEWS

Happy December everyone! I'm putting together a regular schedule of library hours for 2024, which I hope to have finalized by next month. If you're curious about what kinds of books are in the library, feel free to stop by or reach out to me to set up an appointment.

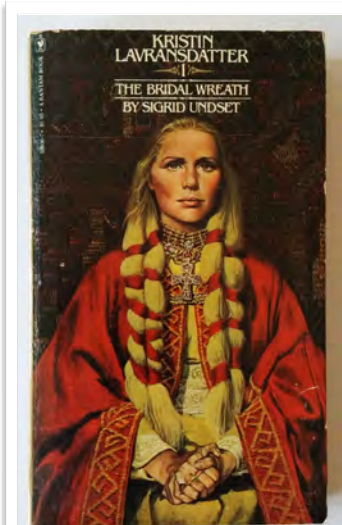

In the meantime the library is usually open during Kaffestua every First Friday of the month. The next date the library is open will be **January 5th, 10am - 2pm**.

Now that we've arrived at the end of 2023 I am starting to put together some reading goals for myself for 2024. I suspect I'm not alone in this, but I have many books at home that I have had for many years and never read. I'm hoping to read some of these books next year and then pass them along. One such book that I have is the **Kristin Lavransdatter** trilogy by Sigrid Undset. These books have been recommended to me numerous times and I've even found them at book sales (including our own Bazaar) and I've never managed to start reading. That is my personal reading goal for 2024.

Please let me know if you are also reading a book in this trilogy. I hope you have time to set aside a reading goal for 2024 for yourself, and please let me know if the Lodge Library can be helpful to you and your goal!

Next year I will be joined by An-Magrith Erlandsen as co-librarian. I'm excited to have her expertise, and I'm looking forward to another set of hands at the library. Look for a future Vikingen issue where she'll introduce herself.

## JULEBORD 2023

**Saturday, December 9 | Leif Erikson Hall**

**Appetizers 5:00 PM Dinner 6:00 PM**

December is a dark time in Seattle and even darker in most of Norway. Colorful lights, the glow of candles, the smell of a freshly cut Christmas tree, gatherings with friends and family along with traditional holiday food are all an antidote to the winter and darkness that stretches ahead.

A most delightful way to celebrate the season is with the lodge's traditional Norwegian Julebord which is filled with an array of delicious food. There will be appetizers, many main dishes and for dessert, the classic rice pudding will be served along with hopes of finding the almond that provides luck to the winner and a coveted prize! For those who are vegetarians, there will be many choices on the table.

Four talented musicians from Fire Musikanter, will play traditional Nordic tunes along with beloved Christmas classics. Once the calories are a bit settled, we will dance around the Christmas tree. Expect some traditional Norwegian drinking songs throughout the evening and a reading of the well-loved, "The Night Before Christmas."

The bar will have upscale wines, craft beers, hard cider, aquavit, and soft drinks. There will also be a silent auction featuring some lovely items: Holiday baskets, restaurant certificates, handmade Christmas decorations, kranscake, beautiful hand knitted child's sweater (Norwegian, of course) smørbrøds, and more. The silent auction will be a great place to do some of your Christmas shopping while helping the lodge. There is a good chance that you will be able to park in the bank's lot, next to the lodge.

Our traditional Norwegian Julebord is partially supported by the Ethnic Heritage Council which promotes and encourages ethnic culture and recognizes the value of our annual Julebord.

It is time to celebrate lightness rather than darkness! Come to the lodge's Julebord! Make your reservations by mailing your check for \$60 for adults and \$20 for children (under twelve) to Leif Erikson Lodge, 2245 NW 57<sup>th</sup> Street, Seattle, WA 98107-3134  
*No fee* or you may charge at [www.brownpapertickets.com/event/6156308](http://www.brownpapertickets.com/event/6156308)  
Last day for registration is December 6, 2023.

God Jul!

**LEIKARRINGEN LIAISONS**

The big event for us and the Lodge is the annual **Bazaar** this past October. We all had such fun and enjoyment at this event, and were glad to donate time and energy to help make this a success.

I am so proud to say that all of our **Leikarringen** members contributed to the Bazaar. We contributed in the following ways:

The craft committee spent hours making Nordic ornaments and Christmas decorations. Those members who were out of town made things on their own ahead of time, others store the items at their home. The day of the event we were at the lodge selling the decorations, doing dishes, bussing tables, helping wherever needed; in addition to doing dishes (with special heroics on Saturday when the dishwasher was not working well) we made **Rømmegrøt**, heated the pea soup, kept the cooked food hot, and kept both chaffing dishes full of both items. We helped in any number of ways that came up in the kitchen as part of that crew, and helped support the serving staff keeping the tables stocked with food, with the coffee and tea going as well. We also worked to find a home for all the food, either eating at the event, taking home, end of day sales, and some even went to **Kaffestua**. The important thing is nothing was wasted and everything was enjoyed by all. Several members added muscle and were part of the set up with table decorating and take down crews. I had the privilege to be part of the planning committee.

Tusen Takk to everyone! It is our joy to be an integral part of the lodge, and to help at lodge events. We are so grateful to have such a fantastic place to practice!

### IN MEMORIUM

**Torstein Andreas Olsen** passed away on October 28, 2023. Services were held at Philadelphia Church on November 11, 2023. Thor was born in Northern Norway and came to America at age 19. He is survived by his wife Pauline. They were regulars at Kaffestua and spent part of the year in Arizona. The Memorial will go to the Leif Erikson Lodge Educational Foundation.

As Norway Park wraps up its 60th year, the park transforms into a winter wonderland of inspiring beauty. Like a good Nordmann, you enjoy the best cup of richly dark coffee, perhaps with a freshly made heart shaped waffle, served with brunost on a frosty morning at your home or cabin in the upper park, while watching your fellow neighbors string up lights and decorating for the Christmas - Jul season.

So what is up at Norway Park? The Stockholder's Julebord in the Berg Pavilion, with Christmas tree centered in the middle for guests to enjoy while dining with a traditional Julebord spread, the tradition of caroling around the tree with English and Norwegian carols, with the aid of Video DJ Andy Jensen. Julenissen arrives with special gifts to attending children, after the Biblical Christmas Story. If you're a stockholder, the Julebord is the 2nd of December and must register by the 21st of November (see Nyheter Newsletter for details). Light up Norway Park, starts after Thanksgiving, The Sunshine Committee will be judging with a set of categories for residential Christmas decorating in mid December.
